

Fort Des Moines Open Bible is seeking to fill the position of High School Youth Director. A married couple would be ideal, though not mandatory. A **strong gifting in leadership, organization, and the development of leaders is required.** Here is an overview of the qualities we are looking for in our leader(s):

- A good recruiter of people with the ability to create a strong team that has a shared goal in investing in this generation.
- Ability to mentor and train team members.
- Willingness to hold student's and team members accountable to God's standard of excellence in their lives.
- Willingness to be supportive of the leadership of Fort Des Moines Open Bible, both in speech and action.
- If not already an Open Bible minister, a willingness to work toward becoming a credentialed minister of Open Bible Churches.
- Prior leadership experience would be ideal.
- A man or woman of integrity and character who strives to serve the Lord with excellence is critical.

This will be a part-time, paid position. Office hours would not be required, to allow the leader(s) to be bi-vocational. There is also the possibility, over time, these leaders would phase into the leadership of our Middle School Program. These are two separate ministries.
